Abolition of the frontier Supervision staff in the Stulu

From

The Sanitary Commissioner

No. 3122 Dated 22.2.08 Received 25.2.08

Diary No. 6119	Enclos.	Spare Copies.	Serial No. 9

BRIEF ABSTRACT OF LETTER.

States that as some of the frontier supervision circles comprise 2 talukas, the employment of 2 Sanitary Inspectors one for each taluk, in place of only one plague supervisor will be necessary and requests whether a moiety of the pay of such Inspectors should be debited to plague funds.

NOTES AND ORDERS.

In this office letter No 6619 dated the 13th January 1908 the Sanitary Commr was informed that instead of waiting till qualified Sanitary Inspectors are available for talukas where frontier plague supervn staffs are maintained it would be desirable to transfer

NOTES—First sheet.

GPB—30,000—20-3-06.

Serial No.

transfer to such talukhs qualified Sanitary Inspectors from other talukhs and reduce the frontier plague staff. In reply to the above the Sanitary Commr. states that some of the frontier supervision circles comprise 2 talukhs which requires the employment of 2 Sanitary Inspectors and requests whether a moiety of the pay of each of such Sanitary Inspector may be debited to plague funds.

According to Govt. Pro. No. 9301-19 dated the 8-April 1905, every Talukh Board should employ a Sanitary Inspector, and in a Municipality with a population of 5000 and under, there should be a Sanitary or Assistant Sanitary Inspector.

As regards the question as to how the pay of Sanitary Inspectors should be debited, it has been ordered in Govt. Pro. No. 5990-9 dated the 21st December 1907, that if a Sanitary Inspector is employed by a District Board his pay should be debited to the District funds and by a Municipality to the Municipal funds & that as the work connected with plague is a sanitary work, the Inspectors pay need not be debited to the plague budget unless he is specially employed under orders of Govt for plague work.

In the Kolar and Tumkur Districts — Sanitary Inspectors have been appointed in place of temporary plague supervisors for frontier supervision work. In accordance with Govt. Pro. No. 4832-4 Sam 87-06 dated the 18-December 06, moiety of the pay of Sanitary Inspectors employed in the talukhs of Sira

All are invited to submit their views to the 1st Council as desired.

23/4 6602 28/4/08

Put up. The above note has been submitted for 1st Council's orders, regarding the appointment of the Inspector but I do not think it necessary.

27/4

In the light of the knowledge and experience gained during the past few years, the frontier staff may appear to be no longer necessary. At any rate, a highly paid professional man like a sanitary Inspector need not be entertained to supplant the frontier agency. One such man for each Taluk as a whole seems sufficient.

29/4/08

614 30.4.08

I fully concur. A fully qualified sanitary Inspr should be entertained for each Taluk & the frontier plague staff dispensed with.

Bangalore.

Sir,

With reference to the correspondence ending with your docket No.8737/San.56-07-9 dated the 2nd March 1908, I have the honor to forward for favour of early orders of Government copy ofletter No. 1569/ms of the 7/9th idem from the President, Dist.Board Hassan, stating that it is not possible just now either to appoint a Sanitary Inspector for the Manjarabad Taluk or to transfer the existing hand at Arsikere to that Taluk. As the special frontier establishments in the Tumkur and Kolar Districts have already been replaced by duly qualified Sanitary Inspectors it is desirable ~~to~~ in order to maintain uniformity in respect of the staff & methods employed to guard the British Frontier against plague, that similar arrangements should be made in the other Districts as well without delay. I request therefore that early orders may kindly be issued in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

Edmund

Enclosure No.

Soliciting early orders in the matter of continuing the Existing frontier plague Staff in the Hassan Distt & of replacing by duly qualified Sanry Insprs the Special Frontier Estts in other districts as is done in the Tumkur & Kolar Distts.

Letter No.1569 dated 7/9th March 08 from the President Dist Board Hassan to the Sany.Commr.

With reference to your docket No.2474-80 dated the 23rd Jany 1908 requesting that arrangements may be made to reduce the frontier plague staff by the transfer to the frontier Taluks of qualified Sany. Inspectors from other Taluks etc. I have the honor to state that when this subject was placed before the Dist Board at the meeting held on the 15th Feb 08 the Board after a careful consideration of the question in all its aspects passed a resolution to the effect that owing to the impoverished condition of the Dist Board Funds, it is not possible for the present to appoint an additional Sany. Inspector in this District for the Nanjarabad Taluk Moreover Arsikere being an important Railway station, it is seen that epidemics frequently break out there and consequently the services of the Sanitary Inspector are more necessary at Arsikere than elsewhere, and hence the Board are not in favour of transferring the Sany. Inspector from Arsikere to the Nanjarabad Taluk for the present Copy of the Dist Board's resolution is enclosed for reference.

Under these circumstances, I request that you will be so good as to obtain the sanction of Govt to continue for some time the existing frontier plague staff.

" Copy "

Fr Sanitary Commissioner.

C

Proceedings of a meeting of the Hassan Dist Board held on the 15th Feb.08.

Resolution.- Resolved that this Board cannot at present find provision in its funds to appoint an additional Sany. Inspector in this District for the Manjarabad Taluk. Owing to the importance of Arsikere as a place where there is a Railway station and consequently frequent outbreak of epidemics, the services of the sany Inspector are very necessary and hence it is not possible to transfer him for the present.
